

## FOLEY HELD OVER ON CHARGE OF STEALING

Sallie Miller Asks That Prosecution Be Dismissed After She Recovers Silverware.

George Foley, returned soldier, was to await the action of the Madison county grand jury next Wednesday on a charge of stealing silverware from the home of Mrs. Robert Miller and daughters at the time of the fire there a month ago. Foley's bail was fixed at \$200.

Although the fire had been a month, nothing was learned of the whereabouts of the silver which was missed by the family until James Shaw told Mrs. Miller, and when asked about it by her, Foley gave them the keys to the locker at his home and it was there, Foley said on the stand, that he had picked the silver off the fire and intended to return it to the Mrs. Miller. He said a lot of furniture was being carried around to different places at the time of the fire and he had taken the silver home to it until he had opportunity to get it to the owners.

Miss Sallie Miller wanted to dismiss the prosecution against Foley since she recovered her silver. She said the silverware had been in a locker at the time of the fire, and it was over she missed the silver small purse, and had not been able to find them until yesterday. She said to Foley, she said, and cited an instance of years ago when her father used to prosecute a young man and turned out well and said she desired to withdraw prosecution against Foley.

Judge Smith said that he understood her feelings, but the matter was the hands of the courts now.

James Shaw, to whom Foley is charged with having shown the silverware at the depot the day after the fire, was not in court to testify, but was subpoenaed for the grand jury.

On a charge of selling two quarts of whisky to Talt Heathman for \$10, Joe Heathman, a well known negro, of Richmond, was fined \$100 and given 10 days in jail.

On a charge of being drunk and disorderly, Harry Hopper was fined \$5 and costs.

## Louisville Absconder Located In The West

(By Associated Press)

Louisville, Jan. 30.—The police today received a telegram from Dallas, Texas, asking for description of Geo. L. Martin, former secretary of a building and loan association here, who disappeared a year ago leaving a shortage in his accounts of approximately \$300,000. The message was signed by John F. Smiley, who said he understood the authorities wanted Martin, and asked if there was any reward for his apprehension. He failed to state whether Martin was in custody.

## Police Use Clubs On Strikers

(By Associated Press)

Glasgow, Scotland, Jan. 31.—Several persons were injured here today when police charged a crowd of strikers with batons. Mounted police were called out and a number of arrests were made.

There is still no prospect of any betterment of the labor situation in the United Kingdom. If anything it is worse both at Glasgow and Belfast. The strike movement is spreading to large industrial establishments and there are undoubted signs of coming disorders which may entail martial law. The government believes that governmental interference now unwise, perhaps dangerous.

The strike movements are against the advice of the respective trade unions and include a variety of demands, however trivial. Meanwhile telegrams from Belfast depict a situation, which seems akin to that which recently obtained in German cities under revolutionary rule. Even the police are said to be helpless.

## Decide On Army Strength

(By Associated Press)

Washington, Jan. 31.—An army of 500,000 men was unanimously decided upon by the House Military Committee as a basis for determining the appropriation for army pay for the year beginning next July. Committee members said the number was expected to be an average force during the year. They also said that it had no bearing on the future military policy and did not indicate a permanent force that size.

## Bolsheviki Massing Forces

(By Associated Press)

Archangel, Thursday, Jan. 30.—The Bolsheviki is concentrating considerable forces between Vologda railway and the Vagu river line, apparently to either surround the allied column or cut through it and isolate it. The enemy force of a thousand attacked the British and Russian positions yesterday, obliging them to evacuate Alexieffakaya.

## Captures German Who Was Former Neighbor

Ottawa, O.—"Say, you look like a Dutchman that lived down the pike from me in Ohio once. You ain't a brother, or something, of Gus Goecke's, are you?"

Albert Lammers, who lives on a farm near here, prodded one of a group of German prisoners he had captured single-handed and was driving toward the American lines a few days before the armistice was signed.

"No, Al, I'm Gus," Lammers tells of the incident in a letter just received here. Goecke, he says, returned to Germany for a visit just before the war started in 1914 and was compelled to serve in the German army.

## MUST BE RICH TO BUY DRINK

Maine Woodsmen Now Have to Pay \$5 for Pint of Whisky.

Bangor, Me.—War, which used up so much alcohol and starved the distilleries, and the bone-dry law affecting the shipment of liquors from wet into dry territory, have made anything like warm sociability, let alone hilarity, impossible in Maine to any save the wealthy.

In the olden days a woodsman or a sailor went into a Bangor bar (and at one time there were 181, including seven varieties to choose from), laid down a dime and took a drink of what could easily be identified as whisky.

But now a drink of whisky is served with Black Hand secrecy, and many a wink and whisper of caution in some dugout up an alley, or maybe taken in a dark hallway from the dirty glass of a bootlegger, and costs \$2 to 40 cents, while a half pint costs \$2 to \$2.50, a pint \$4 to \$5, and a quart \$8 to \$10, according to quality, time and place. There seems to be plenty of whisky, or near whisky, here and elsewhere in Maine, but the high cost of drinking has driven common folks out of the market.

## GET TWO REAL "DEVIL DOGS"

Two Russian-Bred Timber Wolves With Mixture of Shepherd Added to Marine Personnel.

Quantico, Va.—Two real "devil dogs" have just been added to the personnel of the marine barracks here, the gifts of Mrs. Alvin Untermyer of Yonkers, N. Y.

The dogs, "Teddy" and "Roland," are Russian-bred timber wolves with a mixture of shepherd, and are ferocious enough to suit the most blood-thirsty marine.

"Teddy," a massive, reddish-brown canine, is trained to carry ammunition, seek wounded, deliver messages, scale walls and jump hedges. "Roland," a slender gray of the Russian wolfhound type, is expert at leaping over obstacles and in carrying ammunition.

The dogs gave an exhibition of their talent before officers of the marine corps recently and so delighted their audience that each will wear a leather collar with the globe, anchor and eagle emblem on it.

## DOCTORS SAY CALOTABS ARE BEST FOR FLU

Influenza and Grippe, Like Ordinary Colds, Require Calotabs, the Perfect Calomel, That is Free From Nausea and Danger of Salivation.

Physicians and druggists claim that the great epidemic of influenza has conclusively demonstrated that the quickest cure for a cold and the best preventive of influenza and pneumonia is to keep the liver active so that the digestive organ may be in perfect condition. For this purpose, Calotabs, the new nausealess calomel that is freed from the sickening and salivating effects, is the most thorough and dependable, as well as the most agreeable laxative.

Calotabs have the special advantage of not making the patient sick and weak, as they are free from the nauseating and griping qualities and do not upset the digestion and appetite. One Calotab at bed time with a swallow of water—that's all. No salts, no nausea, nor the slightest interference with your eating, pleasure, or work. Next morning your cold has vanished, your liver is active, and you are feeling fine with a hearty appetite for breakfast.

For your protection, Calotabs are sold only in original sealed packages, price 35 cents. Sold by druggists and your money back if you are not glad you got them.

## WAR MOTHERS CHAPTER TO BE ORGANIZED HERE

Mrs. Robert R. Burnam, Sr., Appointed a State Director and Calls Meeting For Tuesday

An organization of the War Mothers of Madison county is to be made in conjunction with the formation of such a body of these noble women over the state. Mrs. Robert R. Burnam, Sr., who has been appointed one of the State Directors, has issued a call for a meeting of all who had sons in the service, to be held at the Red Cross rooms next Tuesday afternoon at 2 o'clock, at which time it is expected to make a formal organization here. All who become members before the first of April will be enrolled as charter members of the Madison county chapter.

Mrs. R. B. Hutchcraft, of Paris, whose son, Captain Reuben Hutchcraft, was killed in France a few days before the armistice was signed, has been chosen State president of the new organization. It is planned to make this an honorary organization along the lines of the Daughters of the American Revolution, and such bodies, and to effect a complete list of chapters all over the state. A preliminary meeting was held in Lexington the other day at which the very appropriate appointment of Mrs. Burnam as a director was made as well as other steps taken to set on foot plans to form chapters all over the state. Records will be kept of the sons of War Mothers who were in the service of their country and other data of historical and personal value will be compiled. The new organization starts off with enthusiasms interest and promises to be a success from the start.

## Chemical Tank In Right Place

The Richmond Fire Department did a fine piece of work early in the week, which the Daily Register overlooked some way. The house of Woodson Harris, the last house on the Irvine pike, just in the city limits, caught fire and closest water plug was too far away to get a line to it in time. The chemical tank apparatus on the new auto truck was quickly put to work, and notwithstanding the fact that one room was blazing fiercely when the fire ladders arrived on the scene, they did fine work with the chemicals, and soon had the house saved.

Let L. P. Evans, the insurance man of Richmond, call before the fire truck and you are then always protected no matter what happens. He can write you any kind of a policy you want.

## You're Missing Something If You Overlook Them

Are you one of the wise ones who are reading the Daily Register's classified ads? If not, it will pay you to become one of the regular readers today. Can't tell just when your name will appear in the classified columns inviting you to call and get a free ticket to the Alhambra or Opera House. The names of those chosen are selected at random from the population of this section and the invitations will be found scattered through the classified ads. No favoritism will be shown and the only requirement the Daily Register makes is that the notices which are clipped from the paper, be presented at the box office of the Alhambra or Opera House on the day specified.

The classified columns are rapidly becoming one of the most popular departments of the Daily Register and are being read by thousands of people every day. This department of the paper enables the merchants to place their business before the greatest number of people at the lowest expense. ## Barnett Sells His Grocery

F. H. Barnett sold his grocery on Third street, near the tobacco warehouses, to a Mr. Perkins of Irvine, and will give possession soon. The stand is a splendid one, and Mr. Barnett by courteous treatment and fair dealing, has built up a splendid business. It is understood that he is looking for a location "up town" which will be good news to his many friends.

Mr. L. Hooker, formerly of Panola, has opened up a grocery and meat market in the former Major Wells stand in the East End, and has laid in a fresh supply of everything in his line. Mr. Hooker was a prominent lumber man of Panola, and has a host of friends here who will give him a cordial welcome to Richmond and wish him every success in his new business enterprise here.

I've been taking Meritone for three weeks now and it has done me a vast lot of good. I had influenza, too, shortly before I started taking Meritone and this medicine has helped me get over

the effects of it. Meritone has brought back my appetite and has brought back a good color to my face. I've gained weight, too, since I started taking Meritone.

"I want to recommend Meritone because it has done me a lot of good." Meritone is highly recommended as a builder and strengthener after influenza or pneumonia. ETHEL CLAYTON "Women's Weapons"  
A Paramount Picture

The weapons by which Ethel Clayton wins her husband back in "Women's Weapons," the new Paramount picture in which she is starred, which is to be shown at the local theatre next Saturday, are not the same as those employed to win her screen following, and yet in a sense they are the same. They are, after all, the weapons with which she attacks his vic-

time; the lure of sweetness, womanly charm. These may be averted in several ways. Miss Clayton uses them to attain the admiring regard of her screen patrons and employs in addition the gift of the gods—her splendid artistry. In the picture she uses the weapons to convince her straying spouse, all but caught in the web of an intellectual vampire, that a sincere,

maternal, womanly love is worth a score of soul-charm. These may be averted in several ways. Miss Clayton uses them to attain the admiring regard of her screen patrons and employs in addition the gift of the gods—her splendid artistry. ## The Best Cough Medicine

When a druggist finds that his customers all speak well of a certain preparation, he forms a good opinion of it and when in need of such a medicine is almost certain to use it himself in his family. This is why so many druggists use and recommend Chamberlain's Cough Remedy. J. B. Jones, a well known druggist at Cuburn, Ky., says, "I have used Chamberlain's Cough Remedy in my family for the past seven years, and have found it to be the best cough medicine I have ever known."

# THE ECONOMY

## BAKING POWDER

# CALUMET

Calumet possesses the farthest-reaching baking powder economy. It is the most economical leavening agent. It saves in more ways—and makes more important savings than most other baking powders.

**You save when you buy it.** The price is moderate—it leaves you money over the cost of high-priced brands for purchase of other articles. Costs but little more than cheap powders—far more valuable in quality.

**You save when you use it.** Possesses twice the ordinary raising force—you use only half as much as is ordinarily required.

**You save materials it is used with.** Calumet never fails with any kind of recipe or with any kind of flour—always produces perfectly raised, delicious bakings.

**You'll notice a great difference when you use Calumet.** Calumet produces light, sweet, wholesome, flaky bakings. You will notice with some of the cheaper brands the bakings are soggy, heavy, dark in color, and sometimes have a bitter taste.

Used by leading chefs and domestic scientists, and by more housewives than any other brand. Made in the world's largest and finest baking powder plant.

Best by test. A trial proves it.

PERSONS having rooms they would rent to Normal students, should communicate with J. R. Robinson, at once. Phone 166. 47 2

ALL persons having claims against the estate of Susan Vincil will present them to Arch White, administrator, with 30 days. 42 2p

## WINS SERVICE CROSS

Chaplain Thomas Swann of the  
Episcopal church at Saginaw, Mich.,  
arrived in New York recently from  
England. Chaplain Swann was  
awarded the distinguished service  
cross for extraordinary heroism in  
action at the Marne and Vesle rivers  
during the first two weeks in August.  
He was in the front line trenches ad-  
ministering to sick and wounded sol-  
diers, and on one occasion went over  
the top 200 yards under heavy fire to  
rescue two wounded doughboys.

## 'COUNT' ADMITS 'GOOD LOOKS'

Declares Widow Who Charges \$24,000  
Theft Made Love to Him.

New York.—Louis Alberthy, known  
as "Count" Csaki Bela, on trial before  
Judge Mulqueen in general sessions,  
charged with the larceny of \$24,000  
from Mrs. Anna Gruich, a Newark (N. J.)  
widow, who asserts he went  
through a fake wedding ceremony with  
her, denies all her charges.

Mrs. Gruich testified the "count"  
made ardent love to her. The "count"  
swore she made the same brand of  
love to him, unsought. She said she  
believed he was single. He asserted  
he knew all the time he was married  
and "went up in the air" when he  
threatened to leave her.

The "count" added that she became  
infatuated with him on account of  
what he admitted to be his "good  
looks;" that she gave him as pres-  
ents, in amounts of \$100 to \$250 a  
week, the money he is alleged to have  
taken from her; that she invited him  
to Newark and offered to start him in  
business and threatened him when he  
refused.

## Weekly Health Talks

The Many Mysteries of  
Nature

BY L. W. BOWER, M. D.

You can take an onion seed and a pansy  
seed, and plant them side by side in the  
same spot of ground. In one case, you  
get an onion, with its peculiarly strong  
odor, and in the other you get a flower of  
rare beauty. You can plant a poppy seed  
and get opium, (a dangerous, habit-forming  
drug), or you can plant a rhubarb seed and  
get something that helps constipation.  
No scientist, living or dead, can explain  
these mysteries of Nature. Behind the  
invisible life germ in each seed is hidden  
the deep secret that nobody understands.  
Everything growing out of the ground  
seems intended for some use in establishing  
natural conditions. Dr. Pierce, of Buffalo,  
N. Y., long since found out what is  
naturally best for women's diseases. He  
learned it all through treating thousands  
of cases. The result of his studies was a  
medicine called Dr. Pierce's Favorite  
Prescription. This medicine is made of  
vegetable growths that nature surely in-  
tended for backache, headache, weakening  
drains, bearing-down pains, periodical ir-  
regularities, pelvic inflammations, and for  
the many disorders common to women in  
all ages of life. Dr. Pierce's Favorite  
Prescription is made of lady's slipper root,  
black cohosh root, unicorn root, blue  
cohosh root and Oregon grape root.  
Women who take this standard remedy  
know that in Dr. Pierce's Favorite Pre-  
scription they are getting a safe woman's  
tonic so good that druggists everywhere  
sell it.

Favorite Prescription should have the  
"all confidence of every woman in America  
because it contains no alcohol and no  
narcotic. Dr. Pierce knew, when he first  
made this standard medicine, that whiskey  
and morphine are injurious, and so he has  
always kept them out of his remedies.  
Send 10c to Dr. Pierce's Invalids' Hotel,  
Buffalo, N. Y. for trial pkg. Tablets.

### Results That Remain

Are Appreciated By Richmond  
People

Thousands who suffer from back-  
ache and kidney complaint have tried  
one remedy after another finding only  
temporary benefit. This is discourag-  
ing, but there is one kidney medicine  
that has earned a reputation for last-  
ing results and there is plenty of  
proof of its merit right here in Rich-  
mond.

Here is the testimony of one who  
used Doan's Kidney Pills years ago,  
and now makes her testimony even  
stronger.

Mrs. W. T. Edwards, 308 Edwards  
avenue, Richmond, says: "I had weak  
kidneys and backache until I got  
Doan's Kidney Pills at Middleton's  
store and they made me feel fine."

Over four years later Mrs. Edwards  
said "Doan's Kidney Pills made a

### Are You Awaiting The Great Crisis?

If So, Do Not Allow the Time to Pass With Nature Unaided.

Women who give nature a helping hand during the period of expectancy find that when the time arrives for baby's coming it is approached and passed with infinitely less pain and danger. Thousands of women for over half a century have learned that in the time-honored preparation, Mother's Friend, they have a grateful, relaxing, penetrating remedy, the use of which makes it possible for them to go through childbirth without the usual nausea, nervousness, bearing-down, and stretching pains, and that through its use the hours at the crisis are fewer and of much less pain and danger. Mother's Friend penetrates the muscles, rendering them pliant and easily governed by the demands of nature. They relax gently and bring happy days and calm, restful nights. As the result the crisis is passed with greater ease and in less time, the breasts are kept in good condition and the skin is made and kept soft and free from blemishes. Write to the Bradfield Regulator Company, Dept. P. Lamar Building, Atlanta, Georgia, for their Motherhood Book, and obtain a bottle of Mother's Friend from your druggist today and thoroughly fortify yourself for the coming event.

### MAN MISSING MANY YEARS

Found Wandering About Boston, a Victim of Aphasia. He is Identified by Family.

Boston.—An aged man was found wandering in the South end in a daze. He was a victim of aphasia. His clothing or pockets had nothing to aid in the identification. Newspapers published a description of the man and his photograph. After three weeks he was restored to virtually normal condition, but was unable to tell the hospital physicians his name or address. Mrs. J. H. Borofsky of East Boston saw the description in the newspapers, went to the hospital and identified the man as her father, for whom she said her family had been searching many years.

### WAR RELIC BRINGS \$5,200

Chunk of Concrete From the Mole at Zeebrugge Marketed for Big Price.

Philadelphia.—An estimate of the appreciation American people have for war relics was demonstrated here when a piece of concrete, two by four inches, taken from the mole of the harbor of Zeebrugge, sold for \$5,200. This amount was raised by a group of 25 Philadelphians in order that the war relic might repose in a local museum. The memento was sold at auction by Captain Carpenter of the British warship Vindictive, which blocked the German submarine base on the Belgian coast last April.

Here at home at the same time Henry was also down with the influenza.

## HERE'S WARMING, SOOTHING RELIEF FROM YOUR RHEUMATIC ACHES

For prompt relief from Rheumatism, Neuralgia, or Lumbago, you can depend on Sloan's Liniment. The warming, soothing, counter-irritant effect is the quickest way to overcome the inflammation, swelling or stiffness. A few drops go right to the sore part, draw the blood from the congested place and remove the cause of the ache. The great penetrating power of

Sloan's Liniment makes rubbing needless. It is easier and cleaner to use than plasters or poultices. It does not stain the skin or clog the pores. A bottle of Sloan's Liniment is all you need for quick rest and relief from the pains of sprains, bruises, backache, stiffneck, and most forms of rheumatic twinges. Generous size bottles at druggists everywhere.

## POET GETS AIRCUT IN JAIL

"Apostle of the Natural Law" is Shorn of His Flowing Locks in Kansas City.

Kansas City, Mo.—Percy Ellsworth Riker Tuttle, the unshorn poet and apostle of the "natural law," has been shorn.

Percy let his hair grow long because he said it was "natural law," just the same as when he married by the "natural" ceremony to a spirit in a previous incarnation.

But the cruel minion of the law, the jail barber, cut his flowing locks, much to the amusement of his fellow jail comrades. Percy is serving 60 days in the Jackson county jail for alleged attempt to evade the draft law.

The woman wrote in ink: "I leave all my bank books, stamps, stocks, securities and dividends to father." The will is dated October 28, 1918, and there were two witnesses.

Sergeant John Harvey of this place did as ordered, and for the first time in four years found himself face to face with his brother, Sergeant Edward Harvey. Neither of the brothers knew the other was within several thousand miles of France.

## No Medicine-Chest Without Its Family Laxative

From the baby to the grandparent a good laxative is the necessary medicine in the little ills. It wards off serious sickness and saves doctor's bills. Many a cold has been prevented from running into gripe and pneumonia by its timely use.

Many a racking headache has been quickly dispelled by it. And it is a laxative rather than a drastic cathartic or purgative that should be in every family medicine-chest, for a laxative can be used at all ages.

Thousands of good American families have for more than a quarter century used a combination of simple laxative herbs with pepsin known to druggists as Dr. Caldwell's Syrup Pepsin. It is a laxative- tonic that acts on the bowels and stomach. Infants take it with perfect safety, and it is equally effective for grownups.

Grandparents are now seeing their children give it to their babies. It is excellent for all the family in constipation no matter how chronic, indigestion, wind colic, biliousness, headaches, dyspepsia and similar ills.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS

In spite of greatly increased laboratory costs due to the War, by sacrificing profits and absorbing war taxes we have maintained the price at which this family laxative has been sold by druggists for the past 26 years. Two sizes—50c and \$1.00.
